

West Sussex Art Society application for membership

Full membership is by selection. Candidates are asked to submit a total of four recent and original works: paintings, prints or sculpture plus a sketchbook and/or an ideas book. The selection process will include an informal five minute interview. Please note that the decision of the committee will be final. You will be notified of the decision by the secretary within 48 hours. On selection your annual subscription of £28 will become due.

Full members are encouraged to join our online gallery. For a one off payment of £5 you can have your work added to the virtual gallery and have it updated from time to time. Several members have sold work or been commissioned to do work through the on-line gallery. Simply write a short piece about yourself (including how you can be contacted) and email it along with up to ten images of your work to Marina Burgess: marinaburgess@hotmail.co.uk

As we do not have a large membership we need to rely on members to help in the various duties that are necessary for the organisational running of such a society. It is expected that on being accepted for membership you will, at some point offer your services for the committee, or helping at the exhibitions or with the refreshments at the monthly meetings. We want you to have a voice in the society and there is no better way than being part of the committee. If you have skills such as financial administration or organising a program of events, or any other skill that you feel would be useful for the running of the society, please do let us know and give a little of your time.

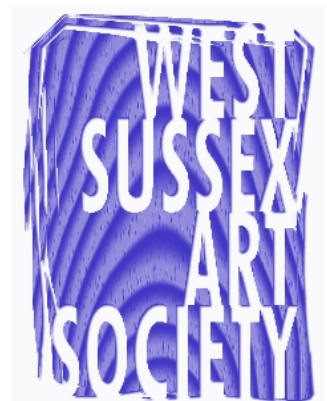

If you are unsuccessful in your application for full membership we also have an associate membership which we would encourage people to consider. You may obtain many of the benefits of the society, for example the monthly presentations and events, but you won't be able to enter work into exhibitions or be featured on the website gallery. Associate membership is open to all. The fee at this time is £24 per year.

We value all our members and the skills and enthusiasm that they bring to the society. We expect members to attend the monthly meetings and contribute in whatever way they are able to keep this a successful and thriving society. In order to take advantage of the exhibition opportunities provided you will be expected to attend meetings whenever possible.

If you would like to apply for full or associate membership please complete the attached form and send it to the secretary:
